INTRODUCTION

These Terms of Business are effective from the 4th of August 2026 and remain valid until updated/amended. They set out the general terms under which Protection & Prosperity Financial Services Ltd will provide business services to you and the respective duties and responsibilities of both the firm and you in relation to such services. They also contain details of our regulatory and statutory obligations and the respective duties of both our firm and you in relation to such services.

This is an important document – please read carefully and if you have any questions, please contact us. Please ensure that you read these terms thoroughly and if you have any queries, we will be happy to clarify them.

If any material changes are made to these terms, we will notify you.

OUR SERVICES

Our principal business is to act as a broker, providing advice and arranging products on behalf of clients in relation to Life, Pensions, and Investments. The range of services that are provided is based on the products offered by the product producers from whom a written letter of appointment is held.

A full list of the product producers with which Protection & Prosperity Financial Services Ltd holds an agency appointment is available on request:

We are not under a contractual obligation to exclusively conduct insurance distribution business with any one Insurance Undertaking. Protection & Prosperity Financial Services Ltd is a member of Brokers Ireland.

We do not have a shareholding representing 10% or more of the voting rights or of the capital in any insurer, and equally no insurer holds any such voting rights or capital in our firm.

We do not offer any opinion or advice (professional or otherwise) on any product provider or products offered by any provider unless Protection & Prosperity Financial Services Ltd holds an agency to place business with such providers. Should you engage with such providers or invest with them, Protection & Prosperity Financial Services Ltd takes no responsibility for any engagement or the soundness of any investment you may make.

We advise based on the information provided verbally, in print or other formats and gathered through additional research such as the use of Letters of Authority or Transfers of Agency.

Therefore, it is your responsibility to read and check that the information recorded on for example:

- Fact-finding documentation
- Product Reports
- Statement of Suitability
- Client Specific Quotations
- Proposal Form
- Policy Issuance Documentation
- Other Supporting Documentation

is correct and if there are any errors you must notify us immediately.

Otherwise, it will be taken that the information shown has been recorded correctly. Please note if you fail to disclose material information be it personal, financial, or medical this may result in you having insufficient insurance cover and or inappropriate Life, Pension, or Investments products.

DISTINCTION BETWEEN FAIR ANALYSIS AND LIMITED ANALYSIS

When we provide advice we may provide services on the basis of fair analysis of the market or limited analysis of the market depending on the particular service/product to be provided.

Fair analysis of the market means that a sufficiently large number of product providers available in the market are considered when identifying suitable providers/products for clients.

The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, pension, and investment products. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

Limited analysis of the market means providing services on the basis of a limited number of contracts and product producers on the market, that is to say, while not tied to one product producer the services are not provided on the basis of a fair analysis of the market.

LIFE, PENSIONS AND WRAPPED INVESTMENTS

Protection & Prosperity Financial Services Ltd provides advice on insurance-based life assurance, pensions, and investments on a fair and personal analysis basis.

We will provide assistance to you with any queries you may have in relation to these policies or investments that we recommend or arrange for you, or in the event of a claim during the life of the policies or investments, and we will explain to you the various restrictions, conditions and exclusions attached to your policies.

However, it is your responsibility to read the policy / investment documents, literature and brochures including key feature documents and terms and conditions to ensure that you understand the nature of the policy selected, particularly in relation to Income Protection and Serious Illness Policies.

Specifically, on the subject of Income Protection Cover, it is our policy to explain to you:

- The meaning of disability as defined in the policy.

- The benefits available under the policy.
- The general exclusions that apply to the policy; and
- The reductions applied to the benefit where there are disability payments from other sources.

For a Serious Illness Policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

You are under a duty to answer all questions posed by the insurer or us on your behalf, honestly and with reasonable care. It is presumed, unless the contrary is shown, that you would know all questions in an application or at renewal as it is material to the risk undertaken by the insurer or the calculation of the premium by that insurer, or both.

Any failure to disclose material information may invalidate a claim and render your policy void. You must inform and disclose any material information including any material changes that might take place between the time you complete an application form and the time you pay the first premium. To assist us in providing you with a comprehensive service and to keep our records up-to date as soon as possible, please notify us of any changes to your personal circumstances, e.g., name change, change of address, etc.

No insurer has a shareholding or voting rights, direct or indirect, in Protection & Prosperity Financial Services Ltd and likewise we have no such holding in any insurer. We represent our customers when dealing with insurers.

INVESTMENT INTERMEDIARY SERVICES

Please note that we offer advice on a limited analysis basis for certain investment products offered by investment firms regulated under MIFID Regulations. These firms include BCP Asset Management, Cantor Fitzgerald, Conexim Advisors, J & E Davy, Greenman Investments, Independent Trustee Company, Newcourt Retirement Fund Managers and Omnium.

As part of the process when giving our clients advice on these investments, we will need to gather information with regards your investment knowledge and experience, if this information is not provided, we will not be able to determine whether the product is appropriate for you.

We are remunerated by commission for many of these investments through our investment intermediary service.

We offer advice on these investments on a non-independent basis as we may receive commissions and/or fees from these providers.

DISCLOSURE OF INFORMATION

The duty of disclosure applies to consumers through the Consumer Insurance Contracts Act. It imposes obligations on you as the consumer and duties that you must fulfil through the various stages of the process of arranging and renewing your insurance policy.

You are required to answer all questions posed by us or the insurer honestly and with reasonable care. You are not under any duty to volunteer information over and above what is required to answer the questions posed to you. The questions we require you to answer are material to the risk to be undertaken by the relevant insurer, or the calculation of the premium by the relevant insurer, or both.

You will be required to answer specific questions. Where you do not provide additional information (after being requested to do so) it can be presumed that the information previously provided remains unchanged. It is important that you answer all questions honestly and with reasonable care. Failure to do so may result in an insurer cancelling the contract, rejecting a claim, or limiting the amount paid in the event of a claim only if it establishes that non-disclosure of material information was an effective cause of the insurer entering into the relevant contract of insurance and on the terms on which it did.

It is your responsibility as the consumer to read the policy documents, literature, brochures and supporting documentation to ensure you understand the nature of any policy selected.

These are important documents as they form the basis of the contract between the life office / product provider and you the consumer. You should review and confirm that the answers contained within these documents are true and accurate. It is essential that you bring to our attention any errors or discrepancies with material information such as but not limited to medical history, non-smoker status, occupation category and any hazardous pursuits as these are central to underwriting decisions and it is imperative all information you provide to the insurer is accurate and complete.

Any failure to disclose material information may invalidate a claim and render your policy void. If you are ever in doubt about whether or not something needs to be disclosed, the safest course of action is to disclose it. A court of competent jurisdiction can reduce the pay-out to the consumer where they are in breach of their duties under the Act, in proportion to the breach involved.

Please contact us if you have any questions or concerns.

REMUNERATION

Protection & Prosperity Financial Services can be remunerated for business services we offer our clients in a combination of ways:

- By you - directly in the form of a fee, which we will discuss, document, and agree with you in advance of any transactions. You may choose to pay in full for our services by means of a fee. If you choose a fee-based service and we subsequently receive initial commission from a product provider, this will be offset against the fee which we agreed to charge you if this has been agreed with you in writing. Where the commission is greater than the fee due, the commission will become the amount payable to us unless an arrangement to the contrary is made in advance of completing the transaction.

Where it is not possible to provide the exact fee in advance of a transaction, we will provide you with the method of calculating the fee.

- Alternatively, we will be remunerated by way of commissions and other payments from product producers on the completion of business and on an ongoing basis. A summary of the details of all arrangements for any fee, commission, other reward, or remuneration provided to us which have been agreed with product producers is available in our office or on our website – www.ppfs.ie.

Where we receive recurring commission, this forms part of the remuneration for the initial advice provided. If you need further explanation of this information, please do not hesitate to call us. Protection & Prosperity Financial Services Ltd may be paid ongoing trail commissions and/or renewal fees for policies / products issued even if you disengage our services and do not avail of future meetings or advice.

In certain circumstances, it will be necessary to charge a fee for specialised services provided. Additional fees may also be payable for complex cases or to reflect value, specialist skills or urgency. Should this apply, we will notify you in advance and agree the scale of fees to be charged.

Our general fee basis is outlined below with hourly fees as follows:

- | | |
|--------------------------|------|
| • Principals / Directors | €350 |
| • Senior Advisers | €250 |
| • Associates | €100 |
| • Support staff | €50 |

VAT may be applicable in addition to these hourly fees.

All commissions received and fees charged contribute to the overall cost of running our business and providing service on an ongoing basis.

REGULAR REVIEWS AND ONGOING SUITABILITY

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change. You must advise us of those changes and request a review of the relevant policy or product so that we can ensure that you are provided with up-to-date advice and products best suited to your needs. Failure to contact us in relation to changes in your circumstances or failure to request a review may result in you having insufficient insurance cover and/ or inappropriate life insurance, pension, or investments products.

Our services do not include the provision of periodic assessments of suitability of:

- insurance policies and/or
- non-insurance products

unless agreed with you in writing in advance.

PRE- AND POST-CONTRACT STAGE, AND CLAIM

Post-Contract Stage and Claims

You will be asked specific questions prior to taking out a policy. You are required to answer all questions asked by us, or the insurer, honestly and with reasonable care.

A copy of an application form or proposal form, where such is relevant to the particular contract, will be provided to you showing the insurers specific questions and information required for underwriting purposes. You must review the document(s) provided and check that the answers you provided are accurate. If any information or answer provided is incorrect you must notify us immediately.

An insurer may repudiate liability or limit the claim payment if it establishes that there has been non-disclosure of material information and that the insurer would not have issued a policy or issued a policy on the terms on which it did, if that information had been known to the insurer. Likewise, where there has been misrepresentation by a consumer, an insurer may, depending on the type of misrepresentation, reduce the amount of a claim or refuse to pay a claim.

You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner.

If you become aware after a claim is made of information that would either support or prejudice the claim, you are under a duty to disclose it. (The insurer is under the same duty).

If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract.

COMPENSATION SCHEMES

The Investor Compensation Scheme

We are members of the Investor Compensation Scheme.

The Investor Compensation Act, 1998 provided for the establishment of a compensation scheme and the payment, in certain circumstances, of compensation to certain clients (known as eligible investors) of authorised investment firms, as defined in that Act.

Compensation may be payable where money or investment instruments owned or belonging to clients and held, administered, or managed by the firm cannot be returned to those clients for the time being and where there is no reasonably foreseeable opportunity of the firm being able to do so.

A right to compensation will arise only:

- If the client is an eligible investor as defined in the Act; and
- if it transpires that the firm is not in a position to return client money or investment instruments owned or belonging to the clients of the firm; and
- to the extent that the client's loss is recognised for the purposes of the Act.

Where an entitlement to compensation is established, the compensation payable will be the lesser of:

- 90% of the amount of the client's loss which is recognised for the purposes of the Investor Compensation Act, 1998; or
- Compensation of up to €20,000.

For further information, contact the Investor Compensation Company Ltd at (01) 224 4955.

BROKERS IRELAND CLIENTS' COMPENSATION AND MEMBERSHIP BENEFITS SCHEME (BIC):

We are also members of the Brokers Ireland Clients' Compensation and Membership Benefits Scheme (BIC), subject to the rules of the scheme and the liabilities of its members firms up to a maximum of €100,000 per client (or €250,000 in aggregate) may be discharged by the fund on its behalf if the member firm is unable to do so, where the above detailed Investor Compensation Scheme has failed to adequately compensate any client of the member.

Further details are available on request.

SUSTAINABLE FINANCE DISCLOSURE REGULATION (SFDR)

Sustainable investing is the process of incorporating environmental, social and governance factors into investment decisions. Sustainability is a broad term with many branches. The key legislative background is derived from the EU Taxonomy regulation, the Sustainable Finance Disclosure Regulation ('SFDR') and the Insurance Distribution Directive ('IDD').

The key product providers with which we engage have developed responsible investment as part of their investment philosophies and sustainability policies. These providers are obliged to specify certain classifications of funds identifying whether or not they meet sustainability characteristics. Some funds have very clear sustainability characteristics, with potential Principal Adverse Impacts also identified. However, some funds may not meet the sustainable investing standards for various practical and technical reasons.

We will engage with you to identify your risk attitude towards sustainable investing. We aim to provide you with investments to match your sustainable investment preferences. In some instances, we may not be able to identify funds to meet these preferences and we will explain alternative options.

We take due care so that our internal remuneration policy with respect to investment or insurance advice on insurance-based investment products ('IBIPs') promotes sound and effective risk management in relation to sustainability risks and does not encourage excessive risk-taking with respect to sustainability risks.

GOVERNING LAW AND BUSINESS SUCCESSION

These Terms of Business shall be governed by and construed according to the laws of the Republic of Ireland and will be deemed to cover any successors in business to Protection & Prosperity Financial Services Ltd.

ACKNOWLEDGEMENT AND CONSENT

I / We acknowledge receipt of and being provided with a copy of the Terms of Business for Protection & Prosperity Financial Services Ltd, and that we have been provided adequate time to read and understand same.
